Everything must change
Nothing stays the same
Nothing and no one . . .
Goes unchanged.

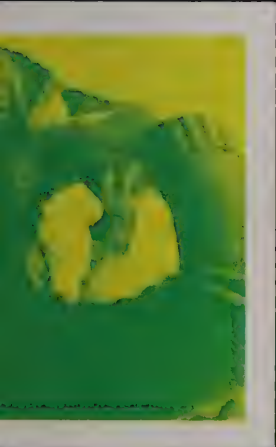

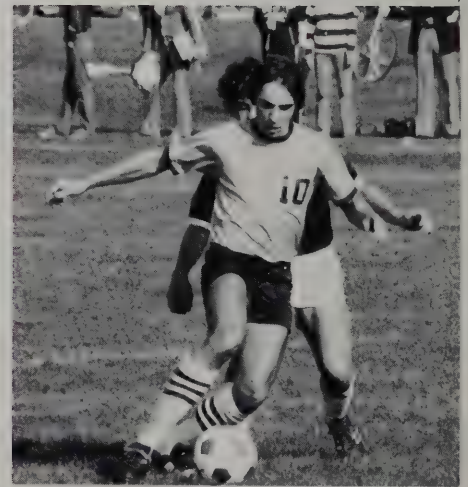

Everyone and everything will
change
The young become the old
Mysteries do unfold
Cause that's the way of time

Winter turns to spring
Hummingbirds do sing
Wounded hearts will heal

There are not many things in life
You can be sure of except
Rain comes from the clouds.
Sunlight from the sky
Everyone and everything must change

We, the Class of 1979, take great pride
in dedicating our yearbook to
Mr. Hoyle Demoranville.

Your patience, kindness and true dedication
shall always be remembered.

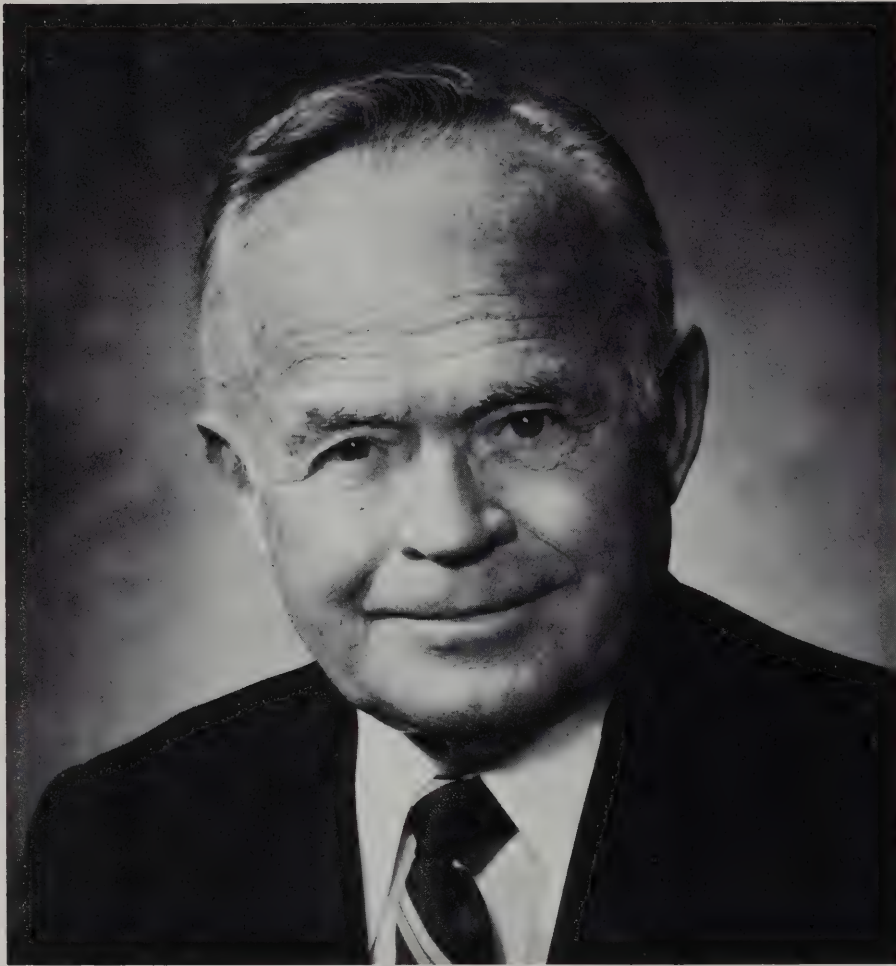

The Class of 1979 wishes to recognize Mr. Norman Harrison, of the Steam Engineering Department, for his 29 years of unselfish dedication.

The 1979 Graduating Class of the Greater New Bedford Regional Vocational Technical High School leaves at a period in our economy when many people find it difficult to secure employment consistent with their capabilities. As members of this class, you have spent four years in preparation for this day. You have been provided with the very best of educational facilities and equipment and with an extremely competent teaching staff. Each of you have profited by our instruction and services only in the amounts by which you were willing to devote your time, efforts and energy to achieve the excellence in your respective occupational areas. All of you have a skill which will be with you for your lifetime. Where you sell this skill will in large measure, be dependent upon your ambition and willingness to be mobile.

You have been an outstanding class. Your co-operation with the staff in the period of transition from the old school to the new, has been outstanding. Each of you in your own way, have contributed to the new educational foundation at this school.

I look forward with pleasure and confidence in this class and that you will succeed in whatever you attempt. We are all proud of you. My sincere congratulations to you and to your parents for your splendid achievement.

ACTIVITIES

DONKEY BASKETBALL

Right: "Hi Ho Silver away!"

Donkey Basketball: On the 30th day of the 11th month of Nineteen Hundred and Seventy-Eight our Voc-Tech faculty challenged the local news media to a donkey basketball game. The students got a chance to see some of their favorite teachers in action. Through all the fun and excitement the teachers managed to laugh their way to a 28 to 12 victory over the media. During halftime the fans got a treat by watching a special game of musical donkeys. The winner Roberta Cunha, was awarded the title of *Miss Jackass 1978*. Imagine this excitement and not one person had to use a shovel and pail!

When the dust cleared at the end of the '78 football season a marked team improvement was clearly visible. This seasons record was a resounding 5 wins and 4 losses . . . a winning season. Fortunately some fine playing from both seniors and underclassmen proved to be the difference as the team swept their last four games of the season. The football team will graduate several outstanding seniors, they are E. Rouxinol, M. Montigny, M. Sadeck, D. Pacheco, K. Sherman, H. Forgue, J. Jeffries, G. Choquette, E. Britto, J. Britto, S. SOCCER

The 1979 Varsity Soccer Team compiled a final season record of 8 wins and 8 losses. Although, basically a sophomore and junior dominated team, its spirit and effort was promising. Besides Captain Al DeMello only four seniors will be graduating namely Joe Martin, Dave Medeiros, Ernie Michaud, and Dave Macomber. This season marked "the last hurrah" for Artisan Coach Walter Siwik. During his 11 year tenure, Coach Siwik posted 8 consecutive winning seasons, commenting on his success he stated "I only hope I have given to my players all that they have given me."

This year's squad led by senior Captain Pete Stringer won 5 dual meets while losing 2. The team finished third in Division I. Its conference record was 4 and 2 and, in state competition the team was ninth in division II. This year for the first time, girls ran cross country. Theresa Duhamel and Carol-Ann Days each finished in the top three among the girls in every dual meet. The team will lose four outstanding seniors next year, they are Pete Stringer, Jim Benoit, Allen Days, and Lenny Bessette.

With only two veteran varsity players returned, Co-captains Terry Charbonneau and Louise Denault, and a host of eager inexperienced players, the volleyball team managed to pull major upsets over some of the top teams in the league, and for the first time ever in the history of this school, a girls team qualified for state tournament play. Outstanding seniors who will be missed next year are Terry Charbonneau and Louise Denault.

BASKETBALL

Despite a disappointing 4 and 18 record the basketball team improved greatly during the season and had a very successful "building" year, although seniors John Kumor and Captain Bob Andrade will be missed, the team, with most members returning, has high hopes for a very successful season next year.

Opposite Page Top: "One more period like this, and I'm not going to have a thumb left."

HOCKEY

The Voc-Tech hockey team showed some strong improvement this year, despite the fact that several injuries caused reorganization of the squad. This year's record was 3 wins and 7 losses in division III, and 4 wins and 13 losses overall. With a strong nucleus returning next season, the artisan sextet will be looking to improve on their Division III position. Graduating this year from Mr. Frey's squad are Paul LePage, Pete Holden, Ernie Michaud, Mark Ferreria, Joe Marshall, Mike Durant, and Gary Lacasse.

First Row: Varsity: Manager — J. Lovell, G. Lacasse, P. Hubert, E. Michaud, S. Rivard, G. Lacasse, D. Dufresne. Second Row: Coach M. Frey, S. Atkinson, S. Kenyon, C. Means, J. Marshall, J. Costa, D. Lucio, R. Rock, P. Frey, M. Ferreira, P. LePage, M. Warrington, Scorer — J. Rainville.

Opposite Page Top: "No matter how close you get you're still not going to get my autograph."

For the second straight year the winter track team went undefeated in S.M.C. Division II. The conference record was 7-0, and 8-1 overall. Led by Tri-captains, Mark Montigny — 50-yd. High Hurdles Conference Champ and school record holder, Pete Stringer — 1000 yd. run Conference Champ and Mike Sadeck — consistent point scorer in the Shot Put. This year's team had experienced veterans returning in most events and in addition, some talented underclassmen. Five school records were broken or tied, along with 16 grade records being broken. This year's girls squad, led by Captain Louise Denault — 50 yd. Low Hurdles Conference Champ, won the S.M.C. Division II Girls Division. Other outstanding seniors were Ed Britto, John Jeffries, Dan Cardoza, and Jim Benoit.

GIRLS BASKETBALL

The girls basketball team experienced a disappointing 0 and 12 season. After losing senior Terry Charbonneau to pneumonia and several promising upperclassmen to winter track, a great responsibility rested upon the shoulders of captains Corrina Richards and Sandy Vardo. The girls constantly faced taller and more experienced rivals, however team spirit was encouraging. Outstanding seniors who will be missed are Terry Charbonneau and Corrina Richards.

To the Faculty and Voke Tech Students:

Two years ago we moved to a new school, it was a big change, and we had to adjust. None of us will forget the old Voke on Hillman Street, but for many of us the move was a new beginning. After looking over the school's old yearbooks, the yearbook staff agreed that it was time for another change. We then decided to design a yearbook with a new look. We knew there would be many obstacles to overcome and we attempted to prepare ourselves for them. In the beginning, nothing seemed to go as planned. All of us were ready to quit at one time or another. It was as if our misfortune would never end. We continued to work towards our ultimate goal; to complete the yearbook, to prove to our school and community that we were capable of completing this new venture. We've done just that. I believe we have designed a yearbook we can all be proud of.

There are many people I would like to thank. First the faculty, for their support and cooperation; the typists for their long hours at the typewriter and the photographers for the extra time they spent at sporting events. I would also like to give special thanks to the editors for their ideas and hard work. These past few months at times seemed long and discouraging, but I think we would all agree it has been worth it.

Right now for most of us it doesn't seem possible to forget our four years at Voke Tech. As the years pass we will begin to forget the times we've spent together, the names and then finally the faces. But no matter how much time passes the yearbook will never forget and it will always help us keep our memories alive.

Regina Correia

Editor-in-Chief

The 1979 Mariner Yearbook Staff wishes to extend very special thanks to the following people for their kindness and help in making this yearbook the great success it is.
